

Art Unit: 1645

Nucleosides, purines and pyrimidines

HP1290	nicotinamide mononucleotide transporter (pnuC)	28.0%
--------	--	-------

HP1180	pyrimidine nucleoside transport protein (nupC)	32.9%
--------	--	-------

Other

HP0876	iron-regulated outer membrane protein (frpB)	27.6%
--------	--	-------

HP0915	iron-regulated outer membrane protein (frpB)	28.1%
--------	--	-------

HP0916	iron-regulated outer membrane protein (frpB)	28.8%
--------	--	-------

HP1129	biopolymer transport protein (exbD)	29.7%
--------	-------------------------------------	-------

HP1130	biopolymer transport protein (exbB)	33.5%
--------	-------------------------------------	-------

HP1339	biopolymer transport protein (exbB)	46.8%
--------	-------------------------------------	-------

HP1340	biopolymer transport protein (exbD)	35.8%
--------	-------------------------------------	-------

HP1445	biopolymer transport protein (exbB)	45.5%
--------	-------------------------------------	-------

HP1446	biopolymer transport protein (exbD)	36.2%
--------	-------------------------------------	-------

HP1512	iron-regulated outer membrane protein (frpB)	26.6%
--------	--	-------

HP0653	nonheme iron-containing ferritin (pfr)	99.4%
--------	--	-------

HP1341	siderophore-mediated iron transport protein (tonB)	37.2%
--------	--	-------
